30 May 2017

*Dear Father Yarsiah,*  
Greeting.

I write to thank you most warmly for the opportunity to share in the assembly of the Liberian Episcopal Community in the USA; to reflect on the work of Cuttington and preach at your closing Eucharist. Your hospitality was gracious and your wisdom helpful in how Cuttington might better live up to her vocation on these shores.

The entire Cuttington family thank you further for the gift of One Thousand United States Dollars (US\$1,000.00) toward the purchase of chairs on our campuses.

I remain hopeful that the goodwill from the assembly so clearly registered and re-echoed in several subsequent encounters with your members might mature into fruitful institutional relationships that will enhance what we do at Cuttington.

We are grateful for your leadership and commitment to the University's work in our nation.

Thankful, as ever,

  
Herman B. Browne, Ph. D.  
PRESIDENT
